

# MAJOR BURT BROWNING'S MILITARY WEAPON CARDS PT. I

## SAMPLE WEAPON CARDS

### STEN GUN MK II

Britain 1941

"In my point of view it's a lot of sub machine gun for the money. And that's what's war is all about, resources. For just £2 it will give you almost the fire power of much more expensive weapons. At least periodically." – Major Browning has a sudden interest in economics.

## SPECIAL FREE CARDS

### FAIRBAIRN-SYKES FIGHTING KNIFE

Britain 1941

"Devised på two British geniuses. Well balanced, duoble bladed, easy to conceal. Perfect for sneaking up on a enemy guard and stabbing him in the heart. Not a thing a gentleman would do of course, but a gentleman will not carry this knife. He will be carrying an umbrella."

– Major Browning sticks with whatever British, sportsmanlike or not.

Type	Dam	Enc
Blade	3 Sharp	0.5

*Easy to use:* +2 to hit in melee. *Well balanced:* +2 to hit if thrown (Range 0.2 Damage 1). *Easy to hide:* +3 in difficulty to find if the carrier is searched.

### KNUCKLEDUSTER KNIFE

USA 1918

"We loved them in the trenches despite what the stupid Geneva Convention is blathering about. Politicians, diplomats and lawyers don't know how it is to wrestle with a 260 pounds Bavarian in pickle helmet." – Sergeant Dudley gets all sentimental by his loving but muddy memories from the real war.

Type	Dam	Enc
Blade	3 Sharp	1
Boxing	2 + Strength bonus	Blunt

*Knuckles or Blade:* Attacker can choose to use either Blade skill or Box skill.

*Confusing the opponent:* Attacker gets +3 in action order if changing which skill to use.
